

UNITED STATES BANKRUPTCY COURT
Eastern District of Virginia
Alexandria Division

IN RE: **WILLIAM ALLEN WINKEL**
 ROBIN HOPE WINKEL

Chapter 13
Case No.04-10437

Debtors.

APPLICATION FOR COMPENSATION

Applicant, Ann M. Callaway, respectfully represents:

1. That applicant has acted as attorney for debtors, in the above-entitled proceeding.
2. That applicant requests the amount of \$2,602.50 for such services, less \$1,500 already paid to applicant leaving a balance of \$1,102.50. An itemization of the fees charged is attached hereto as exhibit A. Said fees were incurred in connection with amending the debtors' plan in response to the Chapter 13 Trustee's objection.
3. That the debtors' original agreement with applicant required debtors to pay \$1,500 which included preparing and filing their bankruptcy case, preparing their chapter 13 plan, and attending the 341 meeting. To the best of applicant's knowledge, the \$1,500 fee was paid out of the debtors' assets; that no portion of the fee was shared with any other entity; that applicant has no knowledge of any agreement with any other entity for the sharing of any future fees; and that all services for which compensation is requested were in connection with said bankruptcy proceeding and were not services in any other matter.
4. That the debtor, the standing trustee, and all creditors shall have ten days from the date this notice is mailed to file any objection.
5. That the debtors' chapter 13 plan contains sufficient reserves or may be extended in time so that the payments requested may be made without prejudice to any creditor.

WHEREFORE, applicant prays that she be allowed the sum of \$1,102.50 out of said estate for her attorneys fees.
